Dear Parent/Guardian,

At Holy Trinity College, we strive to embrace new technologies while focusing on reducing our carbon footprint. To this end, we are pleased to announce that we have invested in the new SIMS Parent App to improve communication between school and home. Through this new App you will be instantly better informed of your child's progress in all areas of school life from your smartphone or computer.

The SIMS Parent App will be replacing the current text message service and importantly reducing the postal and environmental cost of regular letters to your home.

From this week, you will be able to access our new Parent App and website.

Our timeline for introduction of the Parent App and the new features being phased in will be:

Term 1 (September-December)	Information instantly available on your child's: * Attendance * Behaviour * Achievements * School term
Term 2 (January – April)	Ability to Receive Notifications about important pupil information and events
Term 3 (April- June)**	Ability to Access your child's end of year School Report (**Provisional)

It is essential that you avail of this new app which is FREE to download.

Below is what you need to do to download the Holy Trinity App.
