Welcome

Principal's Welcome

A very special welcome to all our new Year 8 pupils. I trust that you will be very happy in Holy Trinity College and that you will work very hard and make the most of every opportunity available to you in school during your time here. I am really looking forward to meeting everyone. I hope that you will enjoy your summer holidays and arrive with us refreshed and bursting with enthusiasm, ready to be the best that you can be in Holy Trinity College.

I. Russell.

Your Key Personnel

Head of Year Mrs Monaghan

Hi boys and girls,

My name is Mrs Monaghan and I am Head of Year 8 here at Holy Trinity College. It is my job to make sure that you are happy and safe during your first year here at the college. I will be one of the first faces that you will see when you arrive at Holy Trinity College.

My role is to ensure firstly, that you are happy here but also to address any issues regarding attendance, behavioural concerns or academic achievement.

Should you encounter any problems or have any worries, no matter how small they may seem, I would encourage you to come and see me straight away as usually these are things that I can sort on the spot or certainly by the end of the day.

I look forward to seeing you all at our Induction Evening in June.

I cannot wait to get to know you as a unique and special individual.

Head of Key Stage 3 Mr O'Donnell

My name is Mr O'Donnell and I am Head of Key Stage Three at Holy Trinity College.

I am responsible for the Pastoral, Academic and Social development of each student in this Key Stage. I oversee Baseline Testing and tack Data after each Assessment. If support strategies are required, I will ensure that these are available and in place.

I work closely with our Heads of Year and Form Teachers to ensure that each student feels happy and safe from the time they enter our gates in the morning until the second they leave.

I teach Technology and Design as well as being involved in managing football teams.

Like Mrs Monaghan, I will be the first face you see each day you come to school. I have responsibility in school for Transport so I look after any issues you may have on your journey to and from school.

I wish you well for the remainder of your time at Primary School and look forward to seeing you all come September in our Holy Trinity College Uniform.

Summer Scheme

Our school is unique in providing a Summer Scheme for the new pupils transferring to our school. The aim of this scheme is to ensure that the child has a stress free transition from primary to secondary school. The purpose of the Summer Scheme is to take away any worry from both the parents and pupils. Each year we have a range of external agencies working with the College in a range of activities. This scheme has fun and active workshops which are both sporting and non-sporting, curriculum based, team bonding and have links with the Youth Resource Centre. Some of the extensive range of activities last year were: Teenage Yoga, Clay modelling, Dance, Art Tye-Dye, ICT, English, Engineering, Treasure Trails, and a range of sporting activities for everyone. The scheme is an opportunity for our new pupils to mix and familiarise themselves with their year group and the school building. It gives time for friendships to be created and allows our new intake to become familiar with a number of teaching staff and senior pupils. This prepares them even more so for their first day with us at Holy Trinity College.

Our Summer scheme is on the 14th - 18th August 2023

- Ensure you are at your Form Room for registration at 8:45am
- Every Monday morning you must go to the Assembly Hall for Year 8 Assembly.
- Break time: Years 8-10 pupils go to the Canteen or bring in their own healthy break. Carry your school bag with you. **Please note that peanuts are not permitted in our College.**
- When the bell sounds at the end of break time, proceed immediately to your period 3 classroom.
- Canteen: The canteen operates a cafeteria system. You must line up and wait your turn to be served.

Top Tip
Remember
to go to the
toilet at
break and
lunch time

What do I need to bring to school?

Using your personalised timetable, you should organise your books for the following day so that you are equipped for learning in each subject. Also make sure that you pack in your pencil case

- ◆ Pens and pencils
- ◆ Ruler and rubber
- ◆ Sharpener and Calculator
- ◆ A set of colouring pencils

There will be other items that you may need for certain subjects and your class teachers will advise you on these additional resources.

Remember when you have PE to bring your PE uniform also.

Have all your personal items clearly labelled.

If you leave all items on the bus, make sure you inform your Form teacher as soon as possible. A telephone call can be made to the bus company to retrieve what you have left behind.

Top Tip
Pack your school bag the night before

BUS PASSES

Please note that the parents of all pupils transferring into Year 8 will be required to apply for transport assistance on-line through the EA Website.

Do not be nervous if you are getting a bus for the first time. For the first few weeks, we have senior pupils at the gate assisting our Year 8 pupils onto the correct buses ten minutes before the rest of the school.

Your class teacher will take you to the gates and will assist you also.

Buses will not leave until every child has boarded.

Top Tip
Always wear your seat-belt on the bus

Top Tip
You will be
able to
concentrate
better after
a healthy
meal

- **Lunchtime (12.35pm - 1.15pm)**

Pupils have a choice of:

Canteen or

Bring in a packed lunch

Our canteen provides a Healthy Eating option

- If you are entitled to a "free" lunch, you will be given a "meals pass" at the beginning of the school year. Your Form Teacher will give you this pass every morning during registration. Show this pass at the till in the Canteen to pay for your meal.
- If you lose or forget your free lunch pass, you should report to Mrs Litter in the General Office.
- If you are eating a packed lunch, you must go to the allocated area in the canteen. Lunch must not be eaten elsewhere. We would also ask that you do not bring fizzy juice cans or bottles into school. These are not allowed in class.
- When the bell sounds at the end of lunchtime (1.15pm), go to your Form Teacher's room for afternoon registration and time with your Form Teacher.

Clubs and Societies

We have a wide range of clubs and activities, some of which take place during break, lunch and/or after school. When you start school you will hear about these extra-curricular activities through your Form Teacher as well as posters around the school or on our Facebook page.

The General Office will also produce a list of all the school clubs. You will also get information about the sports clubs and teams during your PE class.

There will be a lot of information about this within the first few weeks and we always recommend you join a few clubs to meet new friends and maybe discover a new interest!

Enjoy the different clubs every day.

HOMEWORK / PUPIL PLANNER

You will be given a pupil planner (homework diary) by your Head of Year on the first day of term.

In this pupil planner, you should record:

- all your homework
- your attendance each week
- your achievements
- test results
- recording of assessment marks
- absence notes
- permission to leave school

Make sure your planner is signed by your parent/guardian each week.

Top Tip
Ask your teacher or classroom assistant to check that you have recorded homework correctly

HOMEWORK CODE

H - Have your pupil planner homework diary with you every day

O - Organise your homework so that it is not left to the last minute

M - Make sure your homework is neat and tidy. Some homework requires a parent / guardian signature

E - Ensure that you understand the homework task given before you leave class. Not understanding and Not asking is Not an excuse for Not doing

W - Work in an area where you can complete your homework effectively. As much as possible, work by yourself

O - Once homework is completed, check it thoroughly

R - Return all homework on time

K - Keep up-to-date with all homework

Always do your homework on the night it is set - not the night before it is due to be handed in. Do as much as you can, and if you still are unsure speak to your teacher as soon as possible.

Positive Behaviour for Learning

Positive Behaviour for Learning

The staff and pupils in Holy Trinity College are proud of our positive ethos and learning environment that promotes good relationships and positive behaviour.

Some examples of positive behaviours include:

- ◆ Being kind to others
- ◆ Respecting others
- ◆ Being punctual
- ◆ Contributing to classroom discussion
- ◆ Making a good choice
- ◆ Achieving above target

Top Tip
Follow these
positive
behaviours and
celebrate your
successes

We know that pupils who experience positive behaviours:

- ◆ Have goals and are willing to work hard for their goals
- ◆ Are self-motivated and believe in themselves
- ◆ Feel safe and supported
- ◆ Grow to their full potential to be responsible, creative and thoughtful individuals

BE A LEARNER

Positive Behaviour for Learning

In every class, your teachers will acknowledge your efforts by giving you positive achievement points. Your parents will see these points through the Parent App and can also acknowledge your efforts. Pupils who receive positive points will be rewarded by their Form Teacher, Head of Year, Head of Key Stage, Vice-Principal and Principal through post-cards home, certificates, prizes and participation in reward trips. In Year 8, there is great competition between the classes for the most positive points. Already, this year, our present Year 8 have received 30,216 Achievement Points for a wide variety of positive behaviours.

FOR PARENTS

Common student concerns about starting secondary school:

- Getting to school and back (especially if they travel by bus)
- Not making friends
- Losing existing friends
- Being bullied
- Getting lost or being scared at the school's size
- Not having the right books or equipment
- Not coping with the work
- How to do their homework
- Not being sure where to go for help
- Coping with so many different teachers
- Not understanding what the teacher wants them to do
- Getting into trouble

How can you help your child start well?

Reassure them - how they are feeling is how many people feel at the start of post-primary school. In most cases most of these concerns disappear after a couple of weeks. However, if they do not, it is worth contacting your child's Form Tutor.

REMEMBER THAT:

-If they are concerned it is a positive thing - it shows that they care and want to do well.

-Always trust your judgement - you know your child best - but also don't step in too quickly. Situations often resolve themselves given a little time and a key feature of post-primary school life is independence.

-A useful mantra is:

Don't do anything regularly for your child which they are capable of doing themselves.

-Stress that although it can be intimidating at first, there are many more children in Year 8 with whom to make friends than there were in Primary 7. Reassure them if existing friends are spending time with others - it doesn't mean they no longer like them. Encourage them to take an interest in these new people too.

Forming positive habits and routines

- Help to develop positive habits and routines in your child right from the start. These can be very powerful forces for success. Without attention, negative habits and routines may grow which can be hard to break. Positive thoughts are likely to lead to positive outcomes.

- Bag packing and unpacking at home are very important routines, especially as we run a two week timetable here at Holy Trinity College. Has your child somewhere specific to store spare books? Where do they pack their bag for the next day? Have they looked at the correct week and day on their timetable? Is their school bag large enough?

- Where and when does your child do their homework? Do they start it straight-away, rather than leaving it to the last minute? Are you confident that it is their best work? Have they recorded their homework in their planner/homework diary? Are you signing their planner/homework diary every week?

- Non- school activities are generally to be encouraged, but it is important to step in where necessary in order to maintain a balance. Computer gaming, for example, can either be a harmless distraction or a major concern, depending upon what is being played and for how long.

For Parents

Making a positive start to each day.

All that follows depends upon what time your child goes to bed (not just to their room). A more flexible and, at times, later bed-time is part of growing up, but your child will need just as much sleep as younger children on days that are full, active or stressful.

- Are they getting up in good time to get everything done, without getting flustered?
- Do they know where everything they need will be before going to bed - uniform, shoes, bag, packed - lunch, free meals card, PE Kit, Keys etc?
- Do they know how they are getting to school and home again?
- Do they know at what time they must leave, how long the journey will take and where to go when they get to school?
- Do they know what time they are expected to be home?
- Encouraging your child to use a watch can help establish a routine.

Summer Reading Challenge

HTC Summer Reading Challenge

Reading is a very important part of learning at Holy Trinity College, and in Year 8 you will be encouraged to read as much as possible.

To help you get a head start we would like you to read at least 4 books over the summer holidays and record the details on the enclosed Reading Record. When you bring your completed Reading Record to the School Librarian in September, you will receive a Summer Reading Challenge Certificate and a small prize.

Summer Reading Challenge

Here are some authors which many of our current Year 8 pupils have enjoyed, and you should try to read books by some of these people. We understand that everyone reads at different levels and that not everyone likes to read the same type of book, so feel free to include some of your own choices. Most of these authors will be found in your local library or mobile library van.
