

Positive Behaviour for Learning

Positive Behaviour for Learning

The staff and pupils in Holy Trinity College are proud of our positive ethos and learning environment that promotes good relationships and positive behaviour. Some examples of positive behaviours include

- ♦ Being kind to others
- ♦ Respecting others
- ♦ Being punctual
- ♦ Contributing to classroom discussion
- ♦ Making a good choice
- ♦ Achieving above target

Top Tip
Follow these
positive
behaviours and
celebrate your
successes

We know that pupils who experience positive behaviour

- ♦ Have goals and are willing to work hard for their goals
- ♦ Are self-motivated and believe in themselves
- ♦ Feel safe and supported
- ♦ Grow to their full potential to be responsible, creative and thoughtful individuals

BE A LEARNER

Positive Behaviour for Learning

In every class, your teachers will acknowledge your efforts by giving you positive achievement points. Your parents will see these points through the Parentapp and can also acknowledge your efforts. Pupils who receive positive points will be rewarded by their form teacher, Head of Year, Head of Key Stage, Vice-Principal and Principal through post-cards home, certificates, prizes and participation in reward trips. Already, this year, our present Year 8 have received 19,317 Achievement Points for a wide variety of positive behaviours and by the 13th December 2023, pupils in Years 8–12 had accumulated 59,089 Achievement Points!
